**Subject:** FW: I-395 Update

Russell,

Russ Charette is on vacation for the next few weeks. As you can see from his response he does still have his blackberry, but he may not have access throughout the rest of his vacation. If you have any other questions for the next few weeks you can also contact me. Thanks.

The last update I sent out is still the current status.  
Waiting for the Biological Opinion from USFWS.

Russ

Subject: I-395 Update

Russ,

The Town of Eddington would like to be kept in the loop as to any updates concerning the I-395 Route 9 Connector Project.

Is there any information you can provide us as to where we are at this point.

Any information would be greatly appreciated to keep us informed.

Thanks,

Russell Smith
