Richard,

It's true, Ken decided the reduced lane and 100" to 125" ROW width was all we needed in the foreseeable future so why do more. I've been told this project will be taken to the Governor as one to move forward even though the price tag is up there. I hadn't notified anyone as I am waiting for the modification to be signed. Bill will be providing a new set of plans when available. I'll keep you in the loop.
